PRAYERS.

AT OPENING.

PREVENT us, O Lord, in all our doings, with Thy most gracious favour; and further us with Thy continual help; that in all our works begun, continued and ended in Thee, we may glorify Thy Holy Name; and finally, by Thy mercy, obtain everlasting life, through Jesus Christ our Lord.—AMEN.

O GOD from whom all holy desires, all good counsels, and all works of piety and charity do proceed, we beseech Thee to visit with Thy favour our Sovereign Lady Queen Victoria, and so rule her heart, that she may in all things seek Thy honour and glory. Prosper with Thy blessing the designs of this Society. Comfort with Thy grace, those benefactors who contribute to its support. Bless the ministry of Thy servants the Clergy; the endeavours of all who are engaged in spreading the knowledge of true religion in the dominions of our Sovereign, and the labours of those Missionaries who are proclaiming the same in this Province. And may Thy Holy Spirit direct all our consultations to the advancement of Thy Glory, and the good of Thy Church, through Jesus Christ our Lord.—AMEN.

O MERCIFUL GOD, who hast made all men, and hatest nothing that Thou hast made, nor wouldest the death of a sinner, but that he should be converted and live: Have mercy upon all Jews, Turks, Infidels and Heretics, and take from them all ignorance, hardness of heart, and contempt of Thy Word; and so fetch them home, blessed Lord, to Thy flock, that they may be saved among the remnant of the true Israelites, and be made one fold under one Shepherd, Jesus Christ, our Lord, who liveth and reigneth with Thee and the Holy Spirit, one God, world without end.—AMEN.

OUR FATHER, which art in Heaven, Hallowed be Thy Name. Thy Kingdom come. Thy will be done in earth as it is in Heaven. Give us this day our daily bread. And forgive us our trespasses, as we forgive them that trespass against us. And lead us not into temptation, but deliver us from evil; for Thine is the Kingdom, the power, and the glory, for ever and ever.—AMEN.

AT CLOSE.

THE GRACE of our Lord Jesus Christ, and the love of God, and the fellowship of the Holy Ghost, be with us all evermore.—AMEN.

RULES AND REGULATIONS OF THE GENERAL COMMITTEE.

BOARD OF HOME MISSIONS.

Whereas, it is desirable for the better provision for the ministrations of the Church in the Diocese of Fredericton, that there be a systematic and permanent plan for the payment of the stipends of Missionaries; therefore resolved,—

1. That in order to encourage the established Missions to become gradually self-supporting, all grants made by or through this Society in aid of Missions (not including stipends secured to any of the elder Clergy on the Society for the Propagation of the Gospel grant during life) shall from henceforth be made conditional on the contribution by the Mission itself of a stated sum towards the Missionary's stipend.

2. That all grants made by the General Committee be made subject to these resolutions, and be distributed under the direction of the Board of Home Missions, who shall have at all times all such and like powers and rights with respect to the same, or any of them, as the General Committee of the Society would have if in Session.

3. That the Board of Home Missions annually present to the General Committee of the Society, on the first day of their meeting, a full and detailed account of all business transacted during the expired year, and also a list of grants recommended for the ensuing year, with the conditions to be annexed to each, and shall also report to the Executive Committee at each quarterly meeting thereof.

4. That on the approval by the General Committee of the grants recommended for the year, the same shall forthwith pass into operation on the basis of the foregoing Resolutions, and subject to the following regulations:

(*a*). The Board of Home Missions (acting in conjunction with the Lord Bishop) shall forthwith, after the annual meeting, communicate with the Wardens or other Lay Members of the Church, in each Mission, requiring them to enter into engagement (A) with the Society, to contribute the sum required of the Mission for the year.

(*b*). Should such engagement not be entered into to the satisfaction of the Board before the 15th day of August then next, they shall communicate with the Missionary, requiring him to give each of his congregations notice (B) of withdrawal of all payments as a Missionary receiving stipend through this Society on 1st October then next, unless the engagement be meantime completed.

(*c*). Should such engagement not be entered into to the satisfaction

of the Board before the 1st of October then next, all payments to the Missionary's salary through the Society shall be withdrawn, and no stipend shall thereafter be payable in respect thereof: Provided that should the Missionary see fit to resign his cure, he shall, if stationed for the remainder of the year by the Lord Bishop in any vacant Mission which may be willing to comply with the terms required of the defaulting Mission, be entitled, in respect of the services to be rendered in such new Mission, to such stipend as may be agreed upon between such Missionary and the Board, not exceeding that provided for the continuation of his services in his former Mission, and upon the like terms and conditions. Provided, also, that any such Missionary, if not so appointed to any new Mission, may nevertheless be permtttted by the Board, on special application, to draw on 1st of April for a sum in their discretion; but not exceeding his previous quarter's stipend from the Society.

(*d*). Where such engagement is entered into, the Board shall forthwith notify the Missionary, who shall thereupon (unless the terms of such engagement shall not be fulfilled as hereinafter provided) be entitled to draw upon the Society for the full amount of his quarterly salary, including therein the sum required for the quarter of the Mission itself.

(*e*). The amount required from the Mission may be paid either in money or produce, and shall be so paid by equal quarterly instalments at least one month before the last day of each quarter; if paid in money, the same to be remitted direct to the Treasurer, and if paid in produce, such produce to be furnished to and received by the Missionary, and his receipt, in lieu of money, forwarded to the Treasurer within the time aforesaid. Provided that, if necessary, the Mission may have one month's grace to complete the payment.

(*f*). Should the Missionary give any such written receipt for produce, he shall keep a record thereof, and shall make his next quarter's draft for such sum only as shall be due him, after he shall be debited with such receipts in the Treasurer's books.

(*g*). Should neither the money nor receipts for produce, to the full amount required for the quarter, be received by the Treasurer by the last day of the second month of the quarter, it shall be the duty of the Treasurer at once to send to the Missionary and to each of the persons who shall have signed the engagement, the notice (C); and should neither such money nor receipts have been so received by the last day of the quarter, the grant of the Society shall thenceforth cease, and it shall be the Treasurer's duty at once and in like manner to send the notice (D.)

If, however, the arrears be subsequently paid, the Board shall have power to renew the grant on application from the Mission.

(*h*). In case of the Missions where the Missionary's stipend is secured for life on the Society for the Propagation of the Gospel grant, the Board shall call on the Wardens to enter into the prescribed engagement only in case of the demise of the present Missionary; and those Missionaries shall continue to draw their stipends as here-

tofore accustomed, unless any shall voluntarily come within the general system adopted for other Missions.

(*i*). It shall be optional with the Board to permit any Mission to make a quarterly, half-yearly, or yearly payment at any period in advance, and these regulations, *mutatis mutandis*, shall thereupon apply, generally, to any such Mission.

(*k*). The Board shall have full power and authority to make all such further bye-laws, rules, and regulations as may in their opinion be required for their guidance, and from time to time to alter or amend the same as they shall see fit.

5. That in every case of a Clergyman receiving a stipend through this Society, he shall be required to make to the Secretary of the Society, according to such form as the Board of Home Missions may from time to time require, a yearly return, on or before the first day of December in each year, shewing—

5. Every such grant shall be of a sum not exceeding $200 per annum, and shall be tenable for such a period, upon such terms or conditions, and at such collegiate institutions, as the Board of Home Missions shall, subject to the approval of the Lord Bishop of the Diocese, determine.

YEARLY GRANTS.

That all grants by this Committee, for Missionary salaries, and all sums placed at the disposal of the Lord Bishop, shall be for the service of the fiscal year in which the grants are made, and shall expire with it.

LIST OF SUBSCRIBERS.

That for the future, the Clerk and other collectors of the funds of The Diocesan Church Society, be required, in their lists of subscribers handed to the Secretary for publication in the Report, to insert in such lists the names of such persons only as have paid the amounts subscribed.

CONDITIONS OF GRANTS.

Whereas, The grants made by The Diocesan Church Society from its annual income (exclusive of the grants received from the Society for the Propagation of the Gospel), are made in aid of local contributions for the support of the several Missions.

Therefore Resolved, That in future, grants from this Committee will be made mainly with reference to the ability of the members of the Church in the several Parishes to support their own Clergymen—the amount of local contributions for Church objects in such Parishes, and the sum paid in aid of the general objects of the Society.

That all bequests made to the Society be funded, as heretofore, and the interest only applied to the general or special purposes for which they are bequeathed.

RETURNS FROM PARISHES AND MISSIONS.

Whereas, In consequence of the limited means at the disposal of the Society, and the great necessity for new and extended work, it has become of great consequence that all local glebes, and other endowments of Parishes should be fully utilized.

Therefore Resolved, 1. That the Board of Home Missions be authorized to require from the Church Wardens of every Parish or Mission, receiving aid from the Society, full details of all such glebes, church lands, and other investments, yearly or oftener, as they shall see fit.

2. That if it shall appear that any part of the income from the glebes or investments held for the Rector's use, is taken to make up the sum required by the Society from the Mission. the Board may forthwith increase the amount required in proportion thereto; and in case of neglect on the part of the Rector or Church Wardens to collect the interests or rents, the Board be authorized to enquire into the matter, and, if there be sufficient cause, suspend the grant to the Mission until the management be made satisfactory to the Board of Home Missions.

CONTRIBUTIONS—HOW CHARGEABLE

That the Secretary of the Diocesan Church Society be requested to furnish the Treasurer with a minute of contributions, reported from every Parish or Mission, specifying the amounts payable to general and special funds; that the amounts so returned be charged by the Treasurer to each Parish or Mission, in a book to be kept for the purpose, and that a detailed statement of all contributions then remaining unpaid, be rendered by the Treasurer to the Executive Committee, for their action in the matter, at the October meeting and each meeting thereafter, so long as any amount shall continue in arrear.

CERTIFICATES OF LAY DELEGATES.

That the certificates of the lay delegates be sent to the Secretary, at least ten days before the meeting of the General Committee, to enable him to report to the meeting at its opening the names of those qualified, and that his report shall be accepted as *prima facie* evidence of qualification.

That all Rules and Regulations made by the General Committee be printed in the Annual Report.

RESOLUTION OF THE EXECUTIVE COMMITTEE.

GLEBE LAND COMMITTEE.

A Committee shall be appointed, to be called "The Glebe Land Committee," with full and absolute power and authority to demise and lease, at public auction or by private agreement, for any term or terms of years, with or without covenants for renewal, and upon such other covenants and conditions as may be deemed advisable; and to sell at public auction or by private sale, and convey in fee simple, subject to such limitations, conditions, and restrictions as may be deemed advisable by the Glebe Land Committee, all and every or any, the lands, tenements and hereditaments vested in the Society under Chapter 76, 34th Victoria, or any part thereof, not heretofore conveyed by this Society; and for such purposes, to advertise in any manner the said lands or any part thereof, for sale or to lease, and also to cause all or any leases, conveyances or deeds to be prepared, and to cause and direct the Seal of the Society to be affixed to the same, also to receive the proceeds of all or any sales so made: all things to be done under this Resolution, however, to be in accordance with the terms, conditions, provisions and stipulations of Chapter 59, 37th Victoria; and all proceeds of all or any sales and rents of land leased under this Resolution, to be handed over or paid to, and received by the Treasurer of this Society for the time being, to and for the uses, trusts and purposes set forth in the last mentioned act.

REPORT.

1882.

The object of this Society, the work it has already done, and its future prospects, claim the most earnest consideration on the part of every member of the Church. Upon it, under the Great Head of the Church, has devolved, for the most part, the support of the Missions in this Diocese. A long expected, large diminution in the grant from the Society in England, takes place this year.

Apart from the maintenance and extension of Missions there is not one among the other objects of the Society which does not call for the kind interest or support of every Churchman. The Constitution and Rules of the Society, in the hands of every subscriber, show the manner in which the funds are disposed of. The proceedings of every year, whether at annual meetings or by committees, are published in full. They challenge the closest scrutiny. From its formation the Society has had nothing to do with PARTY feeling, nor, in any one instance, has its course of action been affected by undue influence. To every subscriber, is given by delegation, a voice in the appropriation of the funds, and the right to make changes, if found desirable, in the Constitution and Rules.

During the years that are passed, amid many difficulties, the Society has gained an assurance of the Divine blessing, both with respect to the funds entrusted to its charge and the work it has been enabled to do. By means of bequests and special offerings the Society has now a large funded endowment, the proceeds of which are for the benefit of the Church in all coming time. A year ago there was a large balance overdrawn to meet the required expenditure. This amount, by special offerings, has been fully met. The Society is now wholly free of debt, with a small balance in the Treasurer's hands at the close of the fiscal year. The pay-

ments required from the several Missions have also been paid up in full.

It is now many years since at least thirty or forty Missions in this Diocese have been maintained by means of this institution. Who will reckon up the benefits imparted thereby? Who can tell of the blessings conferred through the ministrations of the Church to the young, the ignorant, the suffering and the dying? In several instances the Society has made provision, to a certain extent, for the widows and orphans of those Clergymen who have finished their course. This is one of those objects which cannot fail to recommend itself to every generous mind.

The Society would increase the present stipends of the Missionaries; it would give aid to over-worked clergyman in large Parishes; it would open up new Missions; it would increase the circulation of Bibles or Prayer-books and other valuable publications; it would make a fitting provision for incapacitated Missionaries, and it would do something in the great work connected with religious education.

To provide for those crying wants and those unquestioned benefits, the Society only waits for the united action, the fervent prayers and the generous offerings of each member of the Church in this Diocese.

The following is an abstract from the Reports of the Missionaries and Local Committees:

ANDOVER.—REV. L. A. HOYT.

Contributions to the amount of $60.

No further Report has been received from this Mission.

BAY DU VIN.—REV. W. J. WILKINSON.

"As I have only been in this Mission a few months I can hardly be expected to say much, this year, concerning the progress which has been made since I came here. To give the Society, however, some idea of the work which is being done I will mention the following particulars.

I have a daily service at the Church for the benefit of the fishermen and others. On Sundays, as a rule, I have three services at Bay du Vin, viz: Holy Communion, Matins and Evensong,

besides an afternoon service at the Village. One Sunday, every month, I have morning service at Escuminac, and on that day have services at the Village, and Baie du Vin, in the afternoon and evening respectively.

At the beginning of Lent a Bible Class was formed which has met regularly every week since.

I am glad to be able to report that the Missionary's stipend and all the expenses in connection with the Church have been paid up to the present date. In addition to this the Parish has paid $75 for the Cabinet Organ purchased by my predecessor, and there is still a balance of $25 to be paid next October. The carpenters are now busy working at the Rectory, the outside of which they have engaged to finish by the middle of July.

The Parish is deeply indebted to His Lordship the Metropolitan, His Honor the Lieut. Governor, and others, for their very liberal contributions to the Building Fund. About $100 in work and other ways have been raised for this fund in the Parish since last October.

The "Willing Workers of the Church of St. John the Evangelist" intend having a sale of their work next month, the proceeds to be appropriated to the Rectory Building Fund. This Society was organized last December, and the zealous way in which they have worked since is most praiseworthy, and promises well for their success.

I have not yet completed my annual collection for the Society, but I hope the amount will not be less than last year."

BATHURST.—REV. W. H. STREET.

"Owing to the unseasonable weather and bad roads until very lately, I have been unable, as yet, to complete the list of contributions from this Mission to the D. C. S., but do not at least anticipate any decrease from that of last year.

Persevering local effort is still being made towards the completion of the new Church which is now under contract. The energy and industry of the lady workers of the Parish have been the means of realizing funds which I imagine would not have otherwise been forthcoming."

BRIGHT, SUNBURY AND SOUTHAMPTON.—REV. W. LEB. McKIEL.

"This Mission as at present constructed has been in operation since October 1st, 1880, and has succeeded beyond the most san-

guine expectations of its promoters. The reconstructed Mission was the work of necessity. Douglas had failed to enter into the agreement required by the D. C. S. Queensbury was about to become vacant, and, like Douglas, it was in arrears and unable to come up to the requirements of the Board of Home Missions. The only course open was to close both Missions or to form a new Mission out of the most promising parts of the two old Missions. A deputation was sent by the Board to make the necessary agreement with the people and to organize the new Mission for a trial of six months. At the end of the six months, as there seemed to be no other way of carrying on the work of the Mission, the arrangement was continued and is still in force. The Mission comprises the Parish of Bright with the upper part of Douglas, Queensbury, and Southampton. The order of the Sunday services has been unvarying from the opening of the Mission to the present time, and is as follows:

1st Sunday, St. George's Church, Queensbury, 10.30 a. m.; St. Paul's, Bright, 3 p. m.; All Saints, Bright, 7 p. m. 2d Sunday, Temperance Vale, Southampton, 10.30 a. m.; Maple Ridge, Southampton, 3 p. m.; St. George's, Queensbury, 7 p. m. 3rd Sunday, All Saints, Bright, 10.30 a. m.; St. Paul's, Bright, 3 p. m.; St. George's, Queensbury, 7 p. m. 4th Sunday, St. Paul's, Bright, 10.30 a. m.; Zealand, Bright, 3 p. m.; All Saints, Bright, 7 p. m.

When there is a fifth Sunday in a month the services are held on the River in Queensbury. By this order of services Southampton has the same number of Sunday services in the month that it had when there was a resident clergyman in Queensbury, and Caverhill has one more service in the month than it ever had before. The Churches on the shore in Queensbury are of course closed, and the only service there is when there occurs a fifth Sunday in a month; but the people who are anxious to attend Church can do so by merely crossing the river to Prince William or Dumfries. The lower part of Douglas has, with the approval of the Bishop of the Diocese, been placed under the care of the Rev. William Jaffrey of St. Mary's.

Sunday schools have been opened in different parts of the Mission and the children are being carefully instructed.

The Coadjutor Bishop confirmed in the Mission on September 22nd and 23rd, sixteen in St. Paul's, Upper Keswick, two in St. George's Church, Caverhill, and four in All Saints—total 22.

It is with pleasure that I bear testimony to the unvarying kindness of those who are at present helping to support the Church in the Mission. At Christmas tide I was made a partaker of their liberality to the extent of $58.80, and again Mr. Abraham Mc-

Keen having given permission to cut wood for the clergyman on his land, Mr. John McKeen organized a hauling party and placed a liberal supply of wood in my yard ; and on the 15th of April Mr. Lewis Brewer, with a large party of volunteers, brought over his portable steam engine from Upper Keswick, a distance of nine miles, and hauled more wood and cut it all up. Acts like these are a permanent benefit to a country clergyman and cheer him much in his work, for they show him that his people sympathize with him and have a care for his welfare."

BURTON.—REV. WILLIAM GREER.

Contributions to the amount of $100.

CAMPOBELLO.

CANNING.—REV. C. H. HATHEWAY.

"In submitting my first Report to the Society, I beg the indulgence of all. On September 4th, 1881, holding His Lordship's license to act as "Lay reader," under the direction of the Rev. G. H. Sterling, in the Parishes of Maugerville and Canning, I commenced my all-important work. Since that time monthly services have been held in Christ Church, Maugerville, and at Newcastle, and fortnightly services in St. Luke's Church, Douglas Harbour, with the exception of a few Sundays, when, on account of the severeness of last winter's storms, the breaking up of the river, and preparing for and passing my examination for admission to the "Holy Order of Deacons," I was unable to attend to my Sunday duties, but extra services were held on week days. It has been the anxious desire of the Rector of Maugerville to push forward the work of the Church in this important Parish, and for this cause the Board of Home Missions made a grant of $200, and people subscribed $100, to help defray the expense of keeping a horse and other necessary outlays.

At Douglas Harbour there is a small Church and a "Glebe" well worthy the attention of the "Glebe Land Committee." The people had many times asked for regular services, not having had more than ten of our services in over six years, and when I went among them I was received with the greatest kindness and encouragement that could possibly be looked for.

By the assistance of the choir of Maugerville and a few friends, we held two concerts at the Harbour and realized the sum of $35, which enabled us to shingle the roof of the Church and make other necessary repairs. The average attendance at the Harbour was about 45, and at Sypher Settlement where I held a few occasional services was about 20.

The contributions for the D. C. S. $30. Not being among the people of late I was unable to collect more, but hope to do so at an early date.

I would invite the attention of the "Board of Home Missions" to this heretofore neglected place, and would ask for more assistance to carry on this glorious work, for there are many places where good congregations could be gathered if there was a resident Clergyman in the Parish of Canning. As a Lay Reader I laboured under many disadvantages, but now, by God's mercy, ordained to the "Holy Order of Deacons," I hope to do more for God and His Church, and would therefore ask the prayers of all that the "work of our hands may be prospered."

CANTERBURY.—REV. T. HARTIN.

Contributions to the amount of $5.50.

No further Report has been received from this Mission.

CARLETON AND FAIRVILLE.—REV. T. E. DOWLING.

"The contributions will be the same as last year, viz: $96 for General Purposes and $54 from the Children's Home Mission Boxes. This amount is in addition to the Special Deficiency Fund collections in February.

That some advance has been made during the last ten years in our annual contributions, *one* fact may be mentioned, viz: that in 1872, ten years ago, the annual contributions from Carleton amounted to $42.34, a less amount than that now contributed annually through our united *Sunday school* offerings."

CHATHAM.—REV. D. FORSYTH.

"I am happy to report to the General Committee of the Diocesan Church Society that during the past year a lively interest

has been manifested, in this Parish, among the friends of that honourable and deserving Corporation. In response to the call for extra contributions to meet the anticipated reduction in the Society's funds, in consequence of the withdrawal of the S. P. G. grant, a Parochial meeting was called in October 1881. At this meeting it was determined that an effort should be made to secure increased contributions for the current year to the amount of $70, by way of assisting the Missions within the Rural Deanery of Chatham to provide for their increased assessment from the present date, July, 1882. I am glad to say that the larger portion of this amount has been already contributed, and the prospects are that the balance will be made up in a short time. I think that I may safely state that a *bona fide* increase of $70 will be made in our quarterly contributions to the D. C. S. for the current year. For although the annual June collections are not yet completed, I do not apprehend any reduction in the amount contributed at this time last year. Should my present expectations be realized, the Parish, after having provided for its own wants, will contribute at least $100 to the Missions of the Society.

Meanwhile, during the past year we have had manifest tokens that the Christian liberality towards the brethren abroad has been no hindrance to the progress of our Parochial undertakings. The reseating of St. Mary's Chapel was completed in August last, and the cost, about $450, was at once paid from subscriptions, offertories, and the proceeds of a sale by the Ladies' Sewing Society. The offerings for this purpose, at the re-opening services on August 28th, amounted to $100. On this day, so worthy of our thankful remembrance, the venerable Metropolitan was present and administered the rite of confirmation. In December last, his Lordship, in addition to previous kind and valued gifts, presented a handsome and valuable east window of stained glass to St. Mary's Chapel, as a tribute of affection to the Rev. Samuel Bacon, the first Rector of Chatham. This gift is to be especially prized on account of its historical associations, having been originally placed in Exwick Chapel, Exeter, England, by the distinguished donor. An inscription at the base of the window has been tastefully executed under the kind superintendance of R. Peniston Starr, Esq., St. John.

During the past winter, the old Parish Church of St. Paul's was reseated and otherwise improved in the interior. The old square pews were converted into free and open seats, the sanctuary was remodelled, the high pulpit and the ponderous prayer-desk were removed, the Font was placed at the west door, and other arrangements made for the proper conduct of Divine Service. The whole

cost of the work was immediately paid—the larger portion through the offertory at the reopening service on Palm Sunday.

A short time ago, suitable linoleum was placed on the central passage in St. Mary's Chapel, the cost of which has in part been provided for from the funds of the Ladies' Sewing Society.

To the Church Extension Association we are also indebted for a friendly box containing needful Altar linen and cloths—all most acceptable and valuable.

In regard to the public services, I am glad to say that during the past year I have been able so to arrange them that an additional morning service is held in St. Mary's Chapel, and the Holy Communion is now celebrated there every Sunday morning, and we we have also the joy and satisfaction of daily public prayers.

From the foregoing Report, which it is hoped may not be without interest to a body of representative Churchmen, it will be observed that we have had very much for which to be thankful in connection with the work of the Church in Chatham during the past year, and our consequent hope is that all encouragements we have received may inspire both Pastor and people with becoming zeal and devotion in supporting and strengthening of all such worthy agencies as the Diocesan Church Society, so that by the vigorous extension of His Kingdom in our Diocese, the vacant Missions may soon be supplied with the ministrations of our holy religion, and the Church everywhere show forth her Holy Redeemer's praise !"

DERBY.—REV. AUG. F. HILTZ.

"We have not been without many things to encourage us in our work during the last year, notwithstanding to those outside who know not our difficulties, our progress may appear to be slow.

The appearance of the Church in Derby has been much improved by a new chancel carpet, pulpit hangings and markers for the Bible. The first was purchased at a cost of $50, and the other two are the gift of Wm. T. Crocker, Esq., and cost $14.50.

Steps have been taken to provide a Mission Chapel in Nelson to take the place of the old school-house, in which services have been held so long, and a piece of land for a site has been given by Mr. Charles Vye.

In Blackville, $60 has been collected for the purpose of improving the furniture of the Church; and efforts are now being made, which I hope will prove successful, to repair and paint its exterior. The Right Rev. the Coadjutor has also presented us with a fair linen cloth for the Communion.

In consequence of this activity as well as the prospective in-

crease in the people's portion of the Rector's salary, it is to be feared that the contributions to the D. C. S. may fall off somewhat; but every possible effort is now being made to bring them up to last year's amount, and the lists are, therefore, not yet completed.

But while we have been thus careful for the material temple, the spiritual fabric, I trust, has not been neglected. At Indiantown, about eight miles from Derby on the road to Blackville, a Mission has been opened with marked success and excellent prospects. Increased earnestness is being shown by the younger members of the several congregations in the study of God's Word. And while the Incumbent could wish still greater zeal in this direction, yet he can only thank the Great Head of the Church for the progress made, and labour on in hope of a richer harvest in the future."

Contributions to the amount of $120.

DORCHESTER.—REV. J. ROY CAMPBELL.

"Since my last annual Report to the Society I have been removed from the Parish of Saint Martin to that of Dorchester. Of the former it is not necessary for me to say more than up to the first of April, the date of my removal, it had honorably met all the Society's claims. And of Dorchester I have but to say that in addition to becoming self-sustaining on my becoming Rector, and so easing the Society to the extent of $60 per annum, it has also slightly increased its voluntary offering, the total amount being a little over $200.

Although I am removed from off the list of those Clergy who receive benefit directly through the Society, in gratitude for its generous dealings with the Parish of Saint Martin in its day of trial, it will always give me very great pleasure to advocate the Society's claims on my new Parishioners, who have already given some evidence that they for their part will be ready to respond."

DOUGLAS.

Mr. J. DeLancy Robinson has remitted $10 to the Treasurer—contributions for 1881. He writes that "I cannot ask for subscriptions for the present year, as we are almost abandoned by the Society. The only ministerial work done in this large Parish is a fortnightly service in the evening by the Rev. Mr. Jaffrey. The Holy Communion has not been celebrated for a year and a half."

FAIRVILLE.—REV. T. E. DOWLING.

(See Carleton and Fairville.)

FREDERICTON.—REV. G. GOODRIDGE ROBERTS.

Contributions to the amount of $1,115 besides $100 from Mission boxes.

This is an increase of 9 per cent. on last year.

GAGETOWN.—REV. J. NEALES.

Contributions to the amount of $62.50.

No further Report has been received from this Mission.

GRAND FALLS.

GRAND MANAN.—REV. W. S. COVERT.

"A Church was erected last year in the northern district of Grand Manan which it is estimated will cost, when finished, $2,000. The exterior remains yet unfinished. Thankful to non-residents who have assisted us in any degree, we think the efforts made to build this Church should be taken into account when our small gift to the D. C. S. comes under review. But this will, I think, be somewhat more than last year's contribution.

We thankfully acknowledge the gift of nearly all the windows we required, from the Corporation of Trinity Church, St. John, a Lectern from George A. Schofield, Esq., besides gifts from the Lord Bishop of the Diocese and others. Our progress seems largely represented by the building of this Church, its attentive and increasing congregations and by an increased number of communicants in the Parish, but undoubtedly our people in some sections of the Parish ought to do more for the Church. We have lately sold some Glebe lands which will add a little to our local endowment."

MAUGERVILLE.—REV. G. H. STERLING.

"Since forwarding to the Treasurer of the Board of Home Missions our contributions for last year the work of the Mission has been steadily and I hope successfully carried on. Mr. Hatheway came in September last to assist me in the work, and notwithstanding the severity of the storms during the winter, fulfilled his appointments with one or two exceptions. By his aid the Church is kept open at Newcastle on two Sundays in the month instead of one as was previously the case. At Maugerville there are two services every Sunday, and at Douglas Harbour there are two services on every other Sunday. I am thankful to say he intends remaining for another year. It would be lamentable that the work which he has begun should come to a stand still in this promising field, to which I hope the Board will make a grant sufficient for a resident Priest as it was some two years ago set apart as a separate Mission.

Our Endowment Fund is steadily increasing, and I am thankful to God to be able to say that if the sum recommended by the Board for this Endowment be passed in general committee we will be a self-supporting Parish.

I would wish to take this opportunity of expressing my sincere thanks to the most Reverend the Metropolitan, not only for the kind words of encouragement which he has ever given me in working up this Fund, but for his handsome gift of $120. Also

to Bishop Kingdon for his sympathy and generous gift of $100. Since last year one of my parishoners, Mr. Charles Currie, who has always been a liberal giver to God's Church, has given me $1000 for this Fund.

Our annual Harvest Home, in September last, was a day long to be remembered, as for the first time a Bishop, Dr. Kingdon, honoured us with his presence; there were also present eight Brother Priests. Our offerings which were for the S. P. G. amounted to $20.05.

I am happy to be able to state that the contributions to the Society are slightly in advance of last year being $100."

MONCTON.—REV. EDWYN S. W. PENTREATH.

"My resignation of the Parish of Moncton took effect on the 30th day of April, when I resigned, after eight years service in the Parish, to take charge of Christ Church, Winnipeg. I beg to report that during the past year the tower and spire of St. George's Church were completed and paid for at a cost of nearly $600. A school-house has also been built, which has proved a great convenience to the Parish. The payment for this has not yet been completed. The total amount raised in the Parish for the past year has been over $1,800.

I desire to mention the kindness of some of the Parishioners in August, 1881, who, when I was suffering from illness, kindly gave me a purse of $100, and sent me away for a vacation. I also desire to testify my appreciation of the marked kindness of the Parishioners to Mrs. Pentreath and myself on my departure. The generous gift of a purse of $152, the tokens of appreciation from the officers and teachers of the Sunday school, and last but not least from the members of my dearly loved Bible class, are remembrances which will never be effaced from my memory."

MUSQUASH.—REV. HENRY M. SPIKE.

"I will do all I can to urge upon the Collectors and Parishioners the great necessity of sustaining the work of the Church in meeting the gradual withdrawal of the S. P. G.

Our contributions for General Purposes of the D. C. S. will be about $80. We have sent for Deficiency Fund $4.08, Algoma $3.53, and S. P. G. $2.76, Children's Mission boxes for Deficiency Fund $7.42."

NEWCASTLE.—REV. J. H. S. SWEET.

"It affords me great pleasure to send to the Society a satisfactory Report of my first year's work in the above Parish. I took up residence in the Parish in July last, and was publicly instituted by his Lordship the Metropolitan, on Sunday, August 28th. Since that time the ordinary work of a well-organized Parish has been carried on without any intermittance, and with no little pleasure to myself, consequent upon the cordial and ready way in which the people themselves have co-operated with me in advancing the interest and well-being of the Church's welfare.'

The Parish is provided with a capital and commodious school building, built during the incumbency of my immediate predecessor. It is, however, I am sorry to say, heavily in debt. We are doing what we can to get this paid off, as, while it remains, we are kept from other things which require our attention. "A Mite Society" has been started, through which contributions are collected from individual members once a month, and, if the present subscriptions are sustained, it will prove a great help to us. In this connection I have to acknowledge a handsome contribution from our large-hearted and liberal Bishop.

A Guild, known as "The Young Women's Guild of St. Andrew," has, I am thankful to report, been formed in the Parish. All its members are communicants, and they are bound by rules which, if faithfully and conscientiously carried out, are calculated to promote their spiritual growth. It meets once a week, the first meeting in the month being attended by the Rector, when a short address is given by him, or else a paper read by a member of the Guild. During the other meetings the members engage in needlework, which is either disposed of at once or else reserved for an annual sale. All the meetings are opened and closed with a form of prayer. The members of the Guild intend to do what they can in helping towards paying off the debt to which reference is made above.

During the year we have been cheered by one or two visits from the Bishop; a confirmation has been held, and five candidates, four being adults, have been received into full communion with the Church.

As quite a different matter I may mention that new matting has been provided for the Church; and I have to acknowledge the gift of a very handsome Pulpit Banner, worked by one of the ladies of the congregation. We are now busy in repairing the fence around the Church yard, which will be an improvement, and enable us to keep "God's acre" as it should be kept.

As bearing upon the Church work in the Parish I may further mention that, in accordance with a resolution of our Easter Vestry, we are making an effort to induce the many sailors that frequent the port to avail themselves more of the Church's services. Circulars, printed in English and Norwegian, detailing the number and hours of the services, are distributed among the sailors as the vessels arrive.

It would ill become me to close this my first Report of this Mission without bearing witness to the constant kindness of all the Parishioners, many of whom seem to vie with each other in showing their good will towards us. Many handsome and acceptable presents have found their way to the Rectory. Such things as these cheer one on, as they evidence that one's work, poor and meagre though it be, is nevertheless appreciated by the people. On the whole, I have every reason to be hopeful for the future from the retrospect of the past year.

My list of subscriptions to the Society is not yet completed, but though one or two, whose names I see are on last year's list, are no longer with us, I see no reason to conclude that the amount raised will not be equal to that of last year. Money has also been sent from the Parish during the year towards the late Deficiency Fund of the Society."

NEW DENMARK.—REV. N. M. HANSEN.

"I am thankful to say that this year I can again make a favorable report. The New Brunswick Land and Lumber Company have undertaken a great enterprise for next year. This Company are preparing in our vicinity about 60,000 acres for settlement by Scandinavians. An agent will be appointed in Copenhagen and the immigrants will be brought to St. John at a cheap fare in the Company's new steamer. If this enterprise is successful the Mission of New Denmark will be of great importance, and I shall do my best to gain for the Church as large a number of these immigrants as possible.

The immigrants to the Colony this year are as usual poor people, needing help from the Church people, rather than being able to afford it in the way of contributions.

Our Spring is very late and cool, causing among us fear lest our crop should not ripen, thus making our hard times still harder. The Church Society has here literally followed Our Lord's direction to preach the Gospel to the poor."

Contributions for General Purposes $30.00.

NEW MARYLAND.—REV. F. ALEXANDER.

"Of the Mission of New Maryland I am happy to be able to Report satisfactorily. The increased assessment has been punctually paid and the annual contribution to D. C. S. will, I hope, be not less than that of last year.

Upon the resignation in December last, by the Rev. Henry Montgomery, of the superintendency of the Sunday school, his place was supplied by Mr. Richard Leonard, a young and faithful member of the Church in Fredericton. I deeply regret, for my own sake, and that of the school, to the teachers and scholars of which he had greatly endeared himself, that he was obliged to leave us after a stay of a few months, his business having called him away to the United States. Like the others, my helpers in the Sunday school who went before him, Mr. Leonard has left behind him an impression for good upon the hearts of many young people which I trust may never be effaced. We have no male teacher at present, but the school is kindly cared for, and the work goes on under the efficient superintendence of Miss Annie Horncastle of New Maryland.

I am sorry to have to record the loss to us by death, after a short illness, of our Church Warden, Mr. William Fisher. I can truly speak of him as one who was faithful, at all times, to the duties of his office, and whose memory will be held in affection and esteem by the circle of friends in which he moved.

I have nothing further to add save that I hope to present, during the ensuing summer, several candidates for confirmation."

NORTON.—REV. E. A. WARNEFORD.

"I hope my list of subscribers when furnished will not compare unfavorably with that of last years' amount, but at present can only report $80.

I have much pleasure to be able to state that the services have been very fairly attended. On wet Sundays, in conjunction with others no doubt I have to lament there should be so many dry Christians.

Through the kindness and generosity of a much valued member of the Church our Chapel of Ease has been greatly improved, the gifts were first a very beautiful Altar covering; secondly, falls for Pulpit, Lectern and Prayer-desk. Besides this the ladies of the Sewing Circle have laid down a handsome chancel carpet. In my next I hope to report further progress."

PETERSVILLE.—REV. F. TOWERS.

"There are in this Parish fifty families professing adherence to the Church, making the number of baptized members about two hundred and fifty souls. Among these only twenty-five are communicants.

The amount of subscriptions to the D. C. S. this year will not be large, for the reason that a special effort is now being made to pay off an old standing debt of $500 on the Rectory. As we hope this burden will soon be removed, a much larger amount in voluntary contributions may be expected next year.

I have not had charge of this Parish long enough to report much that has been done in the way of progressive work. Regular services at the Parish Church and at the Church at Welsford have been kept up. Besides these, I have had service at three outstations, visiting each place every fourth Sunday. The severe storms of the past winter and spring seriously interrupted work. Since I came to the Parish I have had thirteen baptisms, three marriages and six burials. I am now preparing a number of candidates for confirmation."

PETITCODIAC.—REV. CUTHBERT WILLIS.

"I have nothing special to report to your Society this year. The same work, as heretofore, has been carried on in this Mission with the assistance of Rev. Mr. Vroom who succeeded Mr. Wilkinson, removed to Bay Du Vin last summer.

As my voice has not been fully restored to me, I am still unable to do the work of the Mission without assistance. The Rev. Mr. Lockward having been elected Rector of St. Martin, the Portage Church has been served by us latterly and we hope to continue to do so until arrangements are made at the annual meetings or subsequently, to fill the vacant Mission of Waterford.

His Lordship the Metropolitan has signified his intention to visit this Mission on the 20th of July, when two new burial grounds will be consecrated and confirmation held. Heretofore we have been without any consecrated ground in this Mission.

Contributions will, I hope, in all amount to or exceed those of last year."

Contributions to the amount of $64.94.

POINT DU CHENE.

No Report has been received from this Mission.

PRINCE WILLIAM AND DUMFRIES.—REV. LEB. W. FOWLER.

Contributions to the amount of $45.

No further Report has been received from this Mission.

RESTIGOUCHE.—REV. E. P. FLEWELLING.

"Since taking charge of this Mission in August last I have had much to encourage me. The services have been fairly well attended. The amount of assessment levied upon the Mission has been promptly and willingly paid, and hearty response has been made to calls for assistance to the funds of the Society for P. G. in foreign parts, as also for the Missionary Diocese of Algoma.

Efforts are being made to reduce the debts still remaining on account of the Rectory at Dalhousie, and Christ Church at Campbellton. At Dalhousie, we are trying to reduce debt $100 the present summer, *by direct contributions*. Already $57 have been subscribed, and I hope that by the meeting of the D. C. S. I will be able to report the whole amount in hand. The ladies of the congregation have undertaken to raise funds sufficient to paint the outside of the Rectory. A part of the money necessary is now in hand. The whole indebtedness of the Parish of Dalhousie is not far from $250.

The ladies of the congregation in Campbellton have been instrumental in raising, during the year, about $200 to pay for the new organ (in the Church, but not yet ready for use), and for heating apparatus. A debt of about $200 still rests upon the Parish of Addington.

Each alternate Sunday two services are held at Christ Church, Campbellton, with an average attendance of thirty-seven at each service.

At St. Mary's, Dalhousie, with the kind and valuable assistance of Mr. H. A. Johnson, Lay Reader, we have been enabled to hold services both morning and evening on all the Sundays of the year, except for a short season during the necessary absence of the Lay Reader in Ottawa.

At the Balmoral Settlement services are still held on the evening of every fourth Tuesday; and I think I am safe in saying that in no part are the services of the Church more fully appreciated. The families of English-speaking people are becoming very few, but notwithstanding all the removals, we have still an average congregation of twenty-five at each service. I am well pleased to report that those yet remaining of the original English settlers are

becoming quite content with their home and are about self-supporting. Not long since, I laid before them at our service the claims of Algoma to our hearty support. They have since sent me $1.75 for the Missionary Diocese. *This is their first offering of money for the Master's use.*

I have had occasional services at Roberts' Settlement, at which about ten gathered together in prayer and praise. In the winter I made a missionary visit to a point ten miles above Metapedia, baptizing a number of children, and urging the arrangement for occasional services in that vicinity. This, I suspect, will be done during the months of summer.

In the Mission we have a celebration of the Holy Communion each Sunday morning, and on many of the festivals.

Since the time of my coming here, August 24th, of last year, in addition to the many services by the Lay Reader, prayers have been said 197 times, sermons have been preached to the number of 119; fifteen infants have been enrolled under Christ's banner; marriage has been solemnized three times, and six members of our little flock have been called to rest.

We expect to have our contributions for the General Purpose Fund of the Society ready by the time of the annual meeting."

RICHIBUCTO.—REV. F. H. ALMON.

"Since my last Report the same regular services have been held, namely: in the Parish Church at Richibucto, morning and evening on the Lord's day, and fortnightly services at Kingston in the Temperance Hall. The severe storms of last winter occasionally prevented those services being held. I have also visited Kouchibouguac and held service there a few times, both on the Lord's day and in the week, during this year. On one Sunday I officiated at Buctouche, a Parish which has been vacant for some time. We have a short service with sermon or lecture here every Friday evening in the school room. I have also given a course of confirmation lectures and held special Bible classes for men and women. A confirmation was held on the 27th of June by the Right Rev. H. T. Kingdon, D. D., Bishop Coadjutor, at which twelve persons were confirmed. In the evening a meeting was held in aid of the D. C. S. Though notice of this meeting was only given in the morning at the confirmation service there was a good attendance, the history and claims of the D. C. S. were explained most forcibly to the meeting by the Bishop. I am persuaded that if meetings in behalf of the D. C. S. could be held by our Bishops when they are visiting the different Parishes far more

interest would be created in the work of the Society, and more funds subscribed, as a large attendance can be had when it is known that the Bishop will be present, and the clergyman's advocacy is strengthened by the earnest appeal of the Bishops, acquainted as they are with the urgent needs of the Diocese. I have also thought that a larger amount could be collected in aid of the D. C. S. by delaying the collections till July, as owing to the backward seasons many of the labouring classes were at least a month later in working at our fisheries and as pilots. I hope to be able to collect about $100 this year, and also that the Parishioners will be able to raise the increase of fifteen per cent. on their assessment which will probably be made by the General Committee. We raised from the proceeds of two sales conducted by several ladies of our congregation $350 (since my last Report) which has defrayed a debt on the new Chancel and nearly paid further expenses on the Church, such as raising the roof and thoroughly repairing the gallery. We have also improved the Chancel by putting in new choir stalls and a new reading desk; the outside of the Church has also been painted. The parishioners have resolved to put the parsonage in good repair; the expense of this will be about $370, of which $62 is already subscribed, and the remainder will, we trust, be collected next quarter; the much needed work of repairing has now commenced. A contract has been signed for the erection, this year, of a small Church at Kingston. A Church of England Temperance Society was formed in August and has held interesting and useful meetings every month since. Eighty-nine men, women and children have signed the total abstinence pledge of this Society. Useful temperance meetings have been held by me at Kouchibouguac during the year. A Juvenile Temperance Society has also been formed here, in which I have aided. A meeting room, managed by a committee, has also, for more than a year, been doing a good work in this village, affording a place of innocent recreation and self-improvement, and supplying a great want. I have acted as Chairman of this Committee and encouraged and aided the work. It has enrolled on its list of subscribers seventy-six persons, belonging to all religious denominations.

Our Sunday school here is well attended. We have held two children's services at Christmas and Easter. The behaviour of the children was devout and attentive; they responded heartily, and their singing of the Carols and Chants was in exquisite taste and harmony. I have also noticed with pleasure the regular attendance of many of the children at our week-day services. I perceive with pleasure that their collections in the Mite Boxes are as

good as many of the other Parishes, and I trust will be improved. There is also a small Sunday School at Kingston.

In conclusion, while I hope this Parish may in time become a self-supporting Parish, I am persuaded that it will for some years need the kind assistance of the D. C. S."

RICHMOND.—REV. H. H. NEALES.

Contributions to the amount of $110.73.

No further Report has been received from this Mission.

SACKVILLE.—REV. CECIL F. WIGGINS.

"We have nothing to report for the present year (outside the ordinary routine of regular work) save the confirmation held here September 1st. This was a season of unusual interest to many in the Parish. A number largely in excess of other years presented themselves to receive the Sacrament and Seal of the inward gift. There were thirty-two in all, fifteen males and seventeen females; seventeen of this number were heads of families, and nine but a few days before received into the Church.

The Mite Society and Guarantee Fund spoken of in our last Report have worked admirably and have materially lessened our liabilities, as beside paying interest we have been able to remove one quarter of our Rectory debt, $250.

We have a new scheme on hand by which we hope to carry out extensive alterations in the interior of our Church, which will not only, we think, greatly improve its appearance, but will also tend to remove the present difficulty of heating.

Our contributions towards D. C. S. for this year will, I am happy to say, be somewhat in advance of last, being $61.00."

ST. ANDREWS AND CHAMCOOK.—REV. CANON KETCHUM

Reports contributions as follows: St. Andrews $175.60; Chamcook $60.36; Mission Boxes $11.24; W. & O. Fund $7.50; Total $254.70. Contributions towards the Deficiency Fund $100. Offerings in aid of Missions in Algoma, $30.

ST. DAVID AND ST. PATRICK.—REV. J. W. MILLIDGE.

"The work of the Church in this Mission is, I am glad to report, fairly prosperous. The services, both Sunday and week-day, have

been regularly maintained, with the exception of a short time last winter when, on account of the terrific snow storms, the roads became so blocked that it was impossible for me to reach some of the stations in time for afternoon service. However trying this is to the Missionary's feelings, there is nothing for it but submission. Singularly enough I did not miss a service at my most distant station, (Greenwood Bethel), where I always found a small but earnest congregation patiently awaiting me, however bad the roads.

A few of the ladies of Tower Hill have established a Church Work Society. It has been quite a success, having tended to promote sociability among the Church people while keeping in view the object of its establishment, viz: the raising sufficient funds to paint the Parish Church. The Dominion and Local elections furnished an opportunity which was promptly seized of forwarding the same laudable object. The electors for the Parish of St. David being obliged to poll their votes at Oak Bay, and some of them living at a distance of nine or ten miles, naturally required some refreshment, the Town Hall was engaged and an excellent dinner provided by the Church people for the small sum of thirty cents a head. The net profits were over $50.00."

Contributions to D. C. S. for this year about $104.39.

ST. GEORGE AND PENNFIELD.—REV. R. E. SMITH.

"We are repairing St. Mark's Church, St. George, chiefly through the exertions of the energetic ladies of the Church Work Society. The old square pews have been taken down, the gallery removed, the organ placed in the east end, a centre aisle formed, using temporary benches for the present. The new slip pews will be ready in about a month. All the Chancel furniture is new and modern. Even already the arrangement is more Church-like, and the services much improved by it. It was our earnest desire to build a new Church but we have not the means. We are doing the next best thing, repairing and improving.

In Saint George, financially, we are growing poorer and poorer every year, owing chiefly to the exodus and the cessation of the lumber trade, which used to be our chief dependence.

In Pennfield Parish the Church flourishes, if one may judge from the large attendance at the services, the zeal and unanimity of the people and the interest which they take in their Church.

We have not yet completed our collection for the Society but anticipate a falling off for reasons mentioned, in Saint George, and if we can remit $100 from the whole Mission it will be doing our utmost."

ST. JAMES, ST. JOHN.—REV. W. ARMSTRONG.

Contributions to the amount of $100. He regrets that the amount is not larger, and he trusts that he may be able to increase it.

ST. MARK, ST. JOHN.—REV. G. M. ARMSTRONG.

Mr. Charles A. MacDonald reports contributions as follows:—General Purposes $201.50, W. & O. $40. Special W. & O. Fund $100. Deficiency Fund $53.28. In all $394.78.

ST. MARY'S, YORK COUNTY.—REV. W. JAFFREY.

"Since the last meeting of the D. C. S. our new Church has been consecrated, and everything seems to be going on satisfactorily except that our people have not the means to contribute as they would wish. Yet the unanimity existing among the members of the congregation, and the great desire manifested by nearly all, both Church people and others, to profit by the Church's teaching, more than reconciles one to their lack of means.

We have lately had a stained glass window placed in the west end of the Church in memory of the late Dr. Gregory, placed there by his former patients.

At the request of the Lord Bishop I have been for the last six months giving a fortnightly service to the people connected with the Stone Church, Parish of Douglas.

We hope to collect the usual amount for the General Purposes of the Society."

ST. MARTINS.—REV. J. LOCKWARD.

"I have to report that I took charge of this Parish early in April, having my first services on Good Friday. Since that time with the exception of one Sunday—the first Sunday after Easter—which I spent in the Parish of Waterford, I have had regular and unbroken services here. Thanks to the earnest work of my predecessor I found a Parish in a high degree of Church equipment. The Register, besides usual records of baptisms, marriages and burials, has also full lists of confirmees and communicants. Among the latter, both on the roll and in the attendance, the male parishioners are well represented.

I may say that I have visited and had several services in the out stations of the Parish, and in all have been most kindly received. Already I have been made the recipient of a fine milch

cow, a present from several members of the congregation, and one particularly welcome to my family.

I have only had three baptisms and one burial, but the Register shows forty-seven baptisms, six marriages and four burials for the year.

The Parish sends to S. P. G. $5.00, C. W. & O. Fund $3.00. Semi-annual collection $11.28, General Purposes $77.65, Deficiency Fund $5.00; total $146.93."

ST. PAUL, PORTLAND.—REV. CANON DEVEBER.

Contributions to the amount of $187.25, and for the W. & O. Fund $35.00. Total $222.25.

ST. STEPHEN—REV. JOSEPH RUSHTON.

Contributions to the amount of $50.

SHEDIAC.—REV. H. H. BARBER.

"On Sunday, Sept. 4th, 1881, the present Rector was instituted into the charge of the Parish by his Lordship the Bishop Coadjutor; since that time he can safely report steady progress.

At a meeting of the Vestry held soon after the Rector's induction it was resolved at his request, that his stipend be raised by the free-will offerings of the congregation; it was further resolved that the organ be removed from the gallery to the east end of the Church; and again that the Church be lighted by suitable lamps, to be provided by voluntary subscription. This has been done and is successful beyond our expectations. Among the further improvements which have been made are to be enumerated a new altar, retable, reredos, credence bracket and communion rail; the whole chancel has been raised by a new floor, steps put under the altar, and the pulpit has been lowered. When it is said that this new Church furniture is among the finest to be found in the Diocese it is only repeating the opinion of all who have seen it. Mr. John Ward of Shediac was the manufacturer.

The new Rectory is progressing slowly, but is being thoroughly built, and the Rector and his family are looking forward with much pleasure to its completion in the autumn. The Rectory is to be paid for by voluntary subscription.

It is with sincere gratitude that testimony is here given to the uniformly kind treatment by the parishioners to the Rector's family, and the hearty way in which they have striven to further his efforts to make the Church and Her services more inviting.

Our congregations are large and the celebrations of the Holy Communion are fairly well attended, though I hope to chronicle improvement in this in the near future.

There is only one regret I have in sending this Report, it is that the contributions from this Parish will be so small. This is the first year the congregation has had to pay anything towards the Rector's support, and at the same time the improvements made to the Church and the building of the new Rectory render it impossible that much more can be done. I have not yet got my list completed, but when finished it will not amount to much.

Offertories during Lent for D. C. S. $11.45, W. & O. Fund $1.50. On Ascension Day, for Algoma $4.36, for S. P. G. $2.60. Total $19.70.

SIMONDS.—REV. GEO. SCHOFIELD.

"Last September the Bishop Coadjutor spent a Sunday in this Parish. In the forenoon he confirmed twenty at Golden Grove, and administered the Holy Communion, of which all those who had just been confirmed partook. In the afternoon his Lordship confirmed eighteen at Black River. The Rev. Canon Scovil kindly assisted at both services, and in the afternoon we had also the help of the Rev. J. R. Campbell, then of Quaco. The weather was splendid. The school house in the forenoon and the Church in the afternoon were quite crowded, and the services were animated and I hope profitable to all.

During the year ending this day (June 1st,) I have officiated at forty-four baptisms, four marriages and fourteen burials.

During the winter my work was sometimes interrupted by snow storms and by roads so full of drifts as to be generally dangerous and occasionally impassible. During twenty-three years ministry in this Parish I have never had such great difficulties before. I have reason to hope that the Divine blessing is resting on my labours, and my prayer is, O Lord, I beseech Thee, send now prosperity."

SPRINGFIELD.—REV. JAMES H. TALBOT.

"I cannot tell the amount of contributions to General Purposes, but do not think they will fall short of last year. We have had several red letter days in this Parish during the year past, for besides two visits from his Lordship the Bishop Coadjutor, one in August and the other for a Sunday in January, the little Church at Norton Station has been completed, and

was consecrated by the Most Rev. the Metropolitan on the 25th October. A renewal of zeal and Church life in this little community dates from that most happy day, and a communicant roll of twenty-one, before any confirmation has been held there, gives promise for the future usefulness of the Church of St. Luke the Evangelist. I take this occasion of publicly acknowledging the help given to this good work by members of this General Committee and others.

Another time of refreshing was Easter Day, when in the presence of a large congregation in the Parish Church of Springfield, eight adults entered the Church by baptism. And yet another such day was the 18th of April, when, preliminary meetings having been held, and a site unanimously agreed upon, a large meeting of members of a congregation (which for many years past has met for worship either in a Methodist meeting-house, kindly lent for the purpose, or more recently in a very inconvenient Temperance Hall,) determined that, God willing, they would go forward with the building of a Church.

I might mention other things, encouraging and discouraging, and I am thankful to say more of the former than the latter, but the time of the General Committee is valuable."

Contributions amount to $80.

STANLEY.—REV. W. O. RAYMOND.

"In looking back upon the year that has elapsed since my last Report was written, I am thankful to say that the progress of the Church in this Parish, as far as one can judge by outward appearance, has been quite satisfactory. My people are thoroughly united and harmonious. Never since I came amongst them, three years ago, has there been the slightest dispute. The congregations, at the two Churches and five stations, are good and increasing. During the past year nearly forty communicants have been added to the roll, which now numbers about eighty.

On Sunday, October 23rd, the Bishop Coadjutor paid his last visit to the Mission, on which occasion he baptized five adults and confirmed thirty-six persons, all of whom, with two or three exceptions, became communicants.

At the Easter meeting the Parish finances were found to be in a fairly satisfactory condition, all the general Parish expenses being paid and a small balance remaining in hand. A debt of $200, however, exists upon the Parsonage, for which I am personally responsible. This debt I have every reason to hope will be paid this summer. My thanks are due to Messrs. Thos. Douglass,

John Douglass, Jr., Edward Speer and William Tomilson, for collecting funds for various purposes; and I have also to thank a number of ladies in the congregation who collected by means of an "Autograph Quilt," the sum of $225, which has been expended in procuring a bell for St. Thomas' Church, improving and enclosing the ground around the Church, &c. The services of the Church during the year past have been steadily maintained. In the winter I made visits to quite a number of the lumber camps, where I was most kindly received. The services held at the camps were true missionary services, and I trust were not unproductive of good. I have to thank the lumbermen for a sum aggregating $100, contributed to the Church in Stanley as a token of their good will.

During the past year I have been called upon very frequently to minister at the bedside of the sick and dying. Of the twenty-one burials recorded, fourteen are those of children, all called away in the course of a few weeks, in consequence of the ravages of diphtheria. The disease, strange to say, was never known in Stanley before.

In conclusion, I may say that although the history of the Church in this Mission during the year past has not been free from some discouragements, yet your Missionary has, on the whole, abundant reason to "thank God and take courage."

Contributions will amount to about the same as last year, viz: $55."

SUSSEX.—REV. CANON MEDLEY.

"Since writing my Report a fortnight ago, when I was rather in doubt as to what the condition of the Mission of Sussex might be, a meeting of the Church Wardens of both Parishes, Sussex and Studholm, has been held, at which it was determined to carry out the instructions given to them at last Easter meeting of the parishioners, and request to be placed on the list of self-sustaining Missions. Notice to this effect has been therefore given to the Secretary of the Board of Home Missions. The only drawback to this step in our Church history, so far apparent, is that the subscriptions to the General Purposes of the Society will be comparatively small for the current year, as it will take us some time to shake down into our new position, and an extra effort will have to be made by the Church people in the Mission to raise the necessary funds to carry on the work as in former times has been done through the aid and under the protection of D. C. S. I hope, however, that a sufficient number of subscriptions will be

given this year to assure the Society that the Mission takes an interest in the general work of the Church throughout the Diocese, and we shall still maintain our semi-annual collections and the Missionary bo[illegible] of [illegible]e children. I am thankful to say that the work of the [illegible]ssion [illegible] prospering in sp[illegible] of many difficulties. We have now a weekly celebration of the Holy Eucharist; and, except during the severe months of winter, the Holy-days of the Church are marked by the same blessed Feast and Evensong. Our little Guild at Studholm is doing good work, having during the past year realized $105.75 towards the necessary expenses of the Church in that Parish, having warmed, lighted, and taken care of the Church free of any charge; and having also seen in a properly and orderly manner to its being kept thoroughly clean and well decorated. In olden times this needful work used to cause an outlay of at least $25, and it was then done in a slovenly way. I can strongly recommend to my brethren in country Missions the formation of such an organization. At Sussex we hope at no distant day to be cheered by a chime of three or four bells for our Church. The fund for this purpose has already reached nearly $400, a good share of it being the fruit of the energies of willing workers among the ladies of the flock; and in addition to this another fund has been started, through the zeal of Miss MacLeod and her pupils in the Madras School, for re-painting the Church. Still there is much to be done, and in the spiritual work of the Mission I sadly need the help of a fellow-labourer. It is much to be hoped that the Mission of Waterford, now vacant, will receive the aid of D. C. S., and that B. H. M. will be able either to continue the Mission as it has been for some years, one of the new Missions, or make such provision as will enable the people, who are ready to do all in their power, to enjoy the services of the Church."

TRINITY, (ST. JOHN).—REV. CANON BRIGSTOCKE.

Contributions to the amount of $557.57.

TRINITY, (ST. STEPHEN).—REV. HENRY D. DeBLOIS.

Contributions to the amount of $22.68.

UPHAM.—REV. S. J. HANFORD.

"I have nothing special to Report from this Mission except it may be that I have never before been so much hindred in keeping appointments for services as during the past winter and spring.

I regret that I have not yet got through collecting the subscriptions for the Society; there have been several reasons for being backward, but I hope to be able by the time of our meeting, to show a total of perhaps $123 or near the same as last year."

VICTORIA.—REV. D. B. PARNTHER.

Contributions to the W. & O. Fund $24.04, for General Purposes $5. Total $29.04.

WELDFORD.—REV. W. B. ARMSTRONG.

"The work of the Church has proceeded much as usual during the past twelve months. In the early part of the year or during the months of January, February and March, it was impossible, owing to the repeated snow storms, to hold services with any regularity. The Bishop Coadjutor has just visited our Parish for the purpose of confirmation. Ten candidates were presented for that holy rite. The Bishop addressed the young persons in a most solemn and earnest manner, and I trust that his words may long remain in their hearts and memories.

Our Parish Church being very much in disrepair, the parishioners have determined to build a new one. We have at present nearly $1,100 invested for this purpose and intend holding an "Apron Fair" on the 12th day of July next, the proceeds of which will, we hope, with the amount already mentioned, enable us to build a small and neat Church, suitable to the wants of the place.

The contributions to the General Purposes of the Diocesan Church Society will amount to $40 this year. Summary of contributions—General Purposes of D. C. S. $40, Deficiency Fund $20, Algoma and North West $4, S. P. G. $3, W. & O. Fund $3. Total $70."

WATERFORD.—REV. JOHN LOCKWARD.

"I left this Mission on the 1st April to take charge of the Parish of St. Martins, and regret to say with the exception of one Sunday service which I held, there have been since no services in the Parish Church of Waterford. The people are much grieved at the loss of Church services. They will contribute $100, and they hope, that, at the least, they may have services on three out of four Sundays. The Parish of Cardwell has had occasional

services from the Rector of Salisbury and his Curate, and it might be best served from the Mission of Petitcodiac.

Contributions for W. & O. Fund $1.15. Collections in Church $4.72."

WESTFIELD.—REV. A. V. WIGGINS.

"The principal event in the temporal work of this Parish for the past year was the building and completion of the Rectory. It was begun fourteen months ago. The estimated value of the buildings and grounds is $2,500. About $500 worth of work was given, mostly by men who were unable to give much money, some giving as many as thirty days, or about one-tenth of the whole year. The same persons also made liberal contributions in other ways. A durable fence has been built around the grounds. The building will be heated by a furnace. The inside of St. James Church has been repaired and Trinity newly seated.

The Register records twenty baptisms, four being adults, twenty-eight persons confirmed, twenty-eight admitted to communion, five marriages, fourteen burials. There are at present ninety names on the communicants' register, being a net gain of twenty for the year.

The following amounts in money and money's worth have been raised by the Parish during the year. Rectory $600, seats for Trinity $22.50, repairs on St. James $16, stipend $200, current expenses $60, Foreign Missions $7.50, literature $52, total contributions to D. C. S. at least $100, making a total raised for all Church purposes of $1,058. The children's Mission boxes have done good work. They will return over $50 for the year. We desire to thank the Society for its generous grant of $100 towards the Rectory."

WESTMORLAND.—REV. D. M. BLISS.

"I am sorry not to have it in my power to send a list of subscribers. Our new Church is to be consecrated on the 29th ; the seats are free, and the building I may say, free from debt. We are now preparing to clear up the grave-yard and surround it with a new fence.

At Bay Verte the Church has been furnished with a bell, the building painted, the Chancel and aisle carpeted, and the grave-yard fence repaired and painted. On the whole, I may venture to say Church matters in this Parish are in a more satisfactory state."

WICKLOW.—REV. J. E. FLEWELLING.

"The Church work of the Mission has been carried on quietly and satisfactorily. There has been a decided increase of activity among the Lay members of the Church. Two Churches are to be built this year, or at the least, commenced, one at Florenceville and the other at Centreville. Mr. Adam Stewart, an aged churchman, very kindly presented the site for the new building. The site for the new Church at Centreville was purchased from James Johnston, Esq.

There is no parsonage, the fire of 11th July, 1881, destroyed the Missionary's house, and now he lives in a rented house at Centreville. The building of these Churches will naturally lessen the subscriptions to D. C. S., still we are enabled to send $40, the amount demanded of us.

On St. Barnabas' day, Dr. Kingdon, Bishop Coadjutor, visited this Mission and baptized three adults and confirmed ten in St. Barnabas' Church. His address will long be remembered. In the evening of the same day he preached at Lakeville an admirable sermon from St. Mark x: 29, 30. It was a new experience for us to have our Bishop with us on a Sunday. May his stirring words nerve us all to increased activity in parochial work."

WOODSTOCK.—REV. THOS. NEALES.

Contributions to the amount of $61.64.

MISSION CHURCH OF ST. JOHN THE BAPTIST, PORTLAND.

H. W. Frith, Esq., reports as follows:

"I am requested on behalf of the Rev. J. M. Davenport, Priest in charge of the Mission Church of St. John the Baptist, Portland, St. John, and of the congregation attending that Church, to report to you that their contributions to the Diocesan Church Society for the year are $500. This amount includes a subscription to the Deficiency Fund by Mr. G. A. Schofield of $25, and by me, of $10. The contributors wish that whatever portion of this amount may be found necessary shall be applied to clearing off the deficit of last year; and that the balance shall go to the General Purposes of the Society. One half the amount has been paid in to the Treasurer and the remainder will be handed him immediately. The names of the subscribers will be furnished you shortly."

CONCLUSION.

The preceding papers merit careful and attentive consideration. After all, they give only a brief outline of what is being done through the agency of this Society. Necessarily they refer in a greater degree to the material work. Mostly all that which is of the deepest importance is only fully recorded in the Book of Life.

The present is a period of trial both for Clergy and people. Even to maintain the services of the Church as they are now, there is a greater strain imposed than ever before. There is not a Parish or a Mission in the Diocese which is not called on to do more by way of local support, this year, than formerly. It is the way in which the people of God are Divinely taught and trained. By their own exertions, their gifts, their zeal, and their faith, they are to provide the best of all endowments—willing, gracious, and devoted hearts.

The Treasurer submitted a Report, and also a statement of his Account made up to the close of the fiscal year, and a statement of balances due on the contributions reported from the following Missions:—Bright and Queensbury, Cambridge, Canterbury, Grand Manan, and Moncton.

It was resolved that the Treasurer be requested to write to the said Missions, and inquire why the amounts have not been paid, and to report the replies to the General Committee, and to call the attention of the Missions to a resolution of the General Committee with reference to such payments, page 26 of the last Report.

The Treasurer referred to a statement in his Report with reference to the payment of the Grant to Cambridge, and the balance due on the 1st February, 1882.

It was moved by Mr. G. A. Schofield and seconded by Mr. Bliss, that a sub-committee be appointed with whom the Treasurer may confer for advice as to the course he should adopt with regard to the payment of the claims made by Mr. Shaw up to 1st February last. The Committee on this resolution being equally divided the Lord Bishop decided in the negative.

It was thereupon moved by Mr. Parkin and seconded by Mr. Jarvis, and resolved, that in the opinion of this Committee the Treasurer is authorized to pay to Mr. Shaw the amount due him from the income of the Scovil Trust Fund up to the time of his resignation of the Mission. This was carried—yeas 10, nays 5.

Mr. Schofield presented a Report from the Board of Home Missions, which was received. He also presented a Report from the Committee on occasional papers, and he read a paper prepared by the Committee. It was resolved that the Report be received and the Committee be authorized to print and circulate the papers.

The Secretary read an application for admission to the W. & O. Fund from the Rev. F. Towers, and a medical certificate. This application was complied with.

Certain Accounts for printing forms, &c., the rent of a box at the Bank of N. S., and for contingencies, were ordered to be paid.

The Committee met in St. John on the 7th July, 1882.

The Rev. Cecil F. Wiggins was admitted to the W. & O. Fund on the production of a medical certificate satisfactory to the Secretary of the Fund.

The Rev. H. H. Neales was allowed to regain his certificate under provision Sec. 4 of the rules, upon the payment of $4.50 in lieu of payments in arrears, and at the rate payable at the age when the certificate is taken out.

The Coadjutor Bishop was respectfully requested to furnish a copy of the sermon preached last evening before the Society, to be printed with the Annual Report; to which request his Lordship kindly assented.

The following resolutions were adopted:

That 3,000 copies of the Annual Report be printed, and that the Rev. G. G. Roberts, Rev. T. E. Dowling, W. M. Jarvis, G. E. Fenety, T. Barclay Robinson, S. Schofield, H. L. Sturdee, the Treasurer and the Secretary, be a Committee to attend to that duty, and that Mr. S. Schofield be Convener.

That Messrs. W. M. Jarvis, H. W. Frith, G. A. Schofield, R. T. Clinch, W. Carman, G. E. Fenety, T. W. Daniel, G. S. Smith, S. Schofield, and the Treasurer, do form the Finance Committee for the ensuing year, and that four do form a quorum.

That Mr. H. L. Sturdee be the Secretary of the "Widows and Orphans Fund" for the ensuing year.

That Messrs. G. A. Schofield, G. Sidney Smith, H. L. Sturdee, and C. A. Macdonald, be the Glebe Lands Committee for the ensuing year, and that Mr. G. Sidney Smith be Convener.

That a Committee be appointed to prepare, at their discretion, during the ensuing year, an "Occasional Paper," containing a statement of such facts and information as may be deemed likely to further the interests of the Society; and report the same for the approval of the Executive Committee; and that the Right Rev. the Bishop Coadjutor, the Revs. Canon Brigstocke, Canon Medley, T. E. Dowling, O. S. Newnham, and Messrs. G. A. Schofield, and H. W. Frith, do compose the said Committee.

That Mr. T. B. Robinson be Secretary of the Fund for the Education of the Sons of the Clergy for the ensuing year.

REPORT OF THE BOARD OF HOME MISSIONS, For the Year ending July 1, 1882.

To the Right Reverend the Lord Bishop, and the General Committee of the Diocesan Church Society.

The Board of Home Missions submit the following Report:

During the past year the following alterations have been made in the Schedule adopted by the General Committee last July:

BAY DU VIN.—The assessment has been reduced $60.00, and the grant increased $60.00.

PETERSVILLE.—The grant has been increased $120.00 in consequence of the withdrawal of the Grant from the Colonial and Continental Society.

WELDFORD.—The assessment has been reduced $20.00.

A grant of $200.00 upon condition of a contribution of $100.00 by the people, was made to provide the services of a Divinity Student for Newcastle, Grand Lake, Douglas Harbor, and Maugerville. This work has been carried on by Mr. Charles Hatheway, under the direction of the Rector of Maugerville.

An application was made during the year for a grant of $600.00 to Albert, on condition of a contribution of $200.00 by the people, but the Board could not consent to this proposal.

An application has been made by the Rector of Maugerville for a grant of $600.00 to complete an endowment which will make the Mission self-supporting. The grant for the present year is $260.00, and the Board recommend that a grant of $200.00 be made, on the usual conditions, out of the General Purposes Fund, and $400.00 out of the Invested Funds not specially appropriated; the last named sum to be paid as soon as satisfactory evidence is given to the Board that it will complete an endowment sufficient for the Mission, and that the fund is safely invested.

The Board are glad to report that during the year the Mission of Dorchester has been added to the list of self-supporting Missions, and they hope that as the grant from the S. P. G. is so seriously lessened, many of the older Missions will soon take a similar position.

The Board have to report that the grant of $200.00 for Parochial and Special Missions has not been used, and they recommend that the grant be renewed next year upon the same conditions as were attached to it last July.

DIVINITY SCHOLARSHIPS FUND.

A grant of $60.00 from the income of this Fund has been paid

to Mr. James Cowie, and the balance of the income, $12.00, has been paid to Mr. S. Neales.

DEPUTATIONS.

A Deputation from the Board has recently visited the Parishes of Cambridge, Waterborough and Johnston, which have been vacant for some months. It is hoped that before long arrangements may be made for a Mission, of which Johnston would be the centre, leaving Cambridge and Waterborough to be served as a separate Mission.

ASSESSMENTS FOR NEXT YEAR.

During the year the Board issued a Circular to the Clergy in each Deanery, pointing out the fact that the reduction of $2000.00 in the S. P. G. grant would necessitate an increase of fifteen per cent. upon the total assessments, and asking each Deanery to divide the amount required among the different Missions in the way which should seem most equitable.

The Deanery of Chatham furnished the Board with a schedule providing for the whole sum required from them, $70.00 being contributed by the self-supporting Parish of Chatham to aid the weaker Missions.

The Deanery of St. John, consisting largely of self-supporting Missions, agreed to pay the amount required.

The Deaneries of Fredericton, Kingston, Shediac and Woodstock could not agree upon any division of the sums required, and the Deanery of Saint Andrews sent no reply to the Circular.

The Board regret to say that nine Missions are at present vacant, viz.: Aberdeen, Albert, Cambridge, Canterbury, Grand Falls, Madawaska, Point du Chene, Richmond and Waterford.

The Board are glad to learn that the amount required to free the Society from debt has been made up. The Schedule of grants for next year has been arranged in such a way that the expenditure shall not exceed the income of the Society. Whatever alterations the General Committee may deem it advisable to make in the details of this schedule, the Board hope this principle will be maintained, so that the Society may not again be troubled with debt.

Experience has shown that Missionary work which cannot be carried on for lack of means, is much more likely to bring increased contributions than appeals for help to pay an old debt which many friends of the Society think should not have been incurred.

The Estimates of Income and Expenditure for next year, the Schedule of Grants recommended for the same, and the Returns,

Correspondence, and Minutes of Business transacted by the Board during the past year, accompany this Report.

REPORT OF THE COMMITTEE TO INTEREST SUNDAY SCHOOLS IN THE WORK OF HOME MISSIONS,

For the Year ending July, 1882.

To the Right Rev. the Lord Bishop, and the General Committee of the Diocesan Church Society:

Your Committee beg to submit the following Report:

They have held three meetings during the year, at which measures were adopted calculated to further the object for which they were appointed, working upon the general plan previously formed.

This plan, which includes the issuing of Missionary Boxes and the publishing of Leaflets, has met with a fair measure of success in directing the attention of the children of the Diocese to the work of Home Missions, and in eliciting the assistance of a very considerable number. Since, as a rule, not more than one box is taken in a family, it is probable that not less than three thousand young people have had their interest more or less aroused to work for and give to the Church.

At the time of our last Report there were 794 boxes in circulation, all of the first make. Of these, 360 have been destroyed, and in most cases replaced by new boxes of a much better and stronger make. During the year, 697 of these new boxes have been issued, making, with the 434 old ones, which are left, 1,131 boxes in circulation at the present time. From these boxes returns are expected soon after the meeting of this General Committee. For the half year ending July 1st, 1881, $413.50 was received from 437 boxes issued by this Committee, and fifty-nine belonging to Trinity Church, St. John. For the half year ending December 31st, 1881, $479.61 was reported as the returns from 531 boxes issued by us and sixty belonging to Trinity Church, St. John. Of this amount, $893.13, reported to this Committee, the Treasurer of the Diocesan Church Society has received $885.88. The expenses of the Committee, the detailed account of which is appended to this report have been $116.08, leaving a balance of $777.05 as reported to this Committee, or $769.80 in the hands of the Treasurer of the D. C. S. Two Leaflets have been published by this Committee during the year, one written by the Right Rev. the Bishop Coadjutor of Fredericton, and the other by Rev. Canon Medley. Also a printed Circular was issued to those

having charge of boxes before the January opening, and in February an acknowledgment of returns for the year 1881 was sent to all holders of boxes.

Your Committee respectfully advise the continuance of a Committee of seven to take charge of this work, and earnestly solicit the co-operation of the Clergy and Laity of the D. C. S. in this branch of the work, being fully persuaded that with such co-operation these Missionary boxes will not only materially augment the funds of the Society but will also assist in raising up a generation alive to the importance of the Church's work, and ready both to work and to give for the extension thereof.

REPORT OF THE BOOK DEPOSITORY COMMITTEE.

For the Year ending June 1st, 1882.

To the Right Reverend the Lord Bishop, and the General Committee of the Diocesan Church Society:

The Committee, to whom was entrusted the management of the Depository of the Society for promoting Christian Knowledge, beg to submit their Annual Report and Accounts:

The sale of Books for the year ending April 30, 1881, amounted to.....	$936 36
The sale of Books for the year ending April 30, 1882, amounted to.....	957 68
Showing an increase of sales to the amount of.....	$21 32

The Committee, being anxious to increase the general circulation of the Society's publications, within every Mission of the Diocese, have advertised on two different occasions for the services

of a Colporteur. Five applications for the post were received, and on October 18th an appointment was made, and a special money appropriation set apart for the stock of the Colporteur. The appointment, however, was eventually declined by the applicant, and the Committee, after giving the whole question the fullest consideration, are not prepared to take any further steps in the matter, owing, mainly, to the limited funds at their disposal. In order, therefore, to meet the increasing requirements of the Diocese, they venture to recommend to the Clergy of the Deaneries of Chatham, Kingston, Shediac, St. Andrews and Woodstock the desirableness of establishing Deanery Depositories in connection with the Diocesan Central Depository in St. John.

One thousand copies of "The Dawn of Day" for July, 1881, have been distributed gratuitously throughout the Diocese, as specimen copies. There are 768 copies subscribed and paid for in advance for the present year. This circulation is limited to twenty-two Parishes. Each copy is supplied for one cent, and the Committee gladly note an increasing interest in this "Illustrated Monthly Magazine for Sunday School and Parish use," as it is gradually becoming better known. In two Parishes, viz.: Trinity Church, Saint John, and Christ Church, Saint Stephen, "The Dawn of Day" is localized with appropriate covers.

There have been seven importations of books during the year, and it may be noted that in the last Annual List of fifty Foreign Committees, showing the amounts remitted by each Committee to the Parent Society, that of the Diocese of Fredericton stands *fifth* in order.

The Treasurer's Account accompanies this Report.

Respectfully submitted,

THEODORE E. DOWLING,

June 1st, 1882. *Secretary.*

FINANCE COMMITTEE.

Year ending June 30, 1882.

The following is an abstract of the Reports made by this Committee to the Executive Committee, during the year ending 30th June, 1882:

JANUARY 1882.

1. Miss Bailey's Bequest. — After litigation, which terminated in favour of the Society, this matter had been finally settled by the receipt of $1,201.98, net cash, and a mortgage from one McShaffery, from which some $130 might probably be realized. The Treasurer having visited Fredericton twice in the matter and been at considerable trouble, had been paid $30 out of the balance received.

2. Miss D. B. Hazen Trust.—A lease had been made to J. A. & W. A. Chesley of a lot 50x104 feet on Harrison street, Portland, at $50, on the usual terms as to renewal, &c.; and the Steele

lease had been renewed to Samuel McBride, assignee, for seven years at same rent, &c., as before.

3. Mrs. DeWolfe's Bequest.—$690 further had been received from the Lord Bishop, as executor of Mrs. DeWolfe's Will.

4. Glebe Lands.—Mr. I. A. Jack, as Chairman of the Glebe Lands Committee, had paid the Treasurer $100 on account sale of tract No. 7, Perth, Victoria County.

MARCH 1882.

1. Judge Palmer had paid off his mortgage for $8,000, at maturity, on the 16th January, and the amount had been deposited in the Bank of Nova Scotia, temporarily, at 3 per cent., awaiting suitable investment.

2. Miss D. B. Hazen Trust.—A compromise had been made with Miss Crear, a devisee under Miss Hazen's Will, of three acres of land at Torryburn, by which Miss Crear had received $50 in cash, and released the Society from all claims under said Will. The release had been duly recorded. Also, it having been found by a second survey that the tract of land sold to John Beattey in 1879, and on which he had paid $200, was some thirty acres short of the supposed quantity, Mr. Beattey declined to complete the purchase, and consequently the $200, and interest amounting to $17.18, had been repaid him.

3. Glebe Lands.—The terms required from the Parish of Addington having been complied with, the amount at the credit of that Parish for Glebe sold, $352.35, had been paid over to the Rector, the Rev. E. P. Flewelling.

JUNE 1882.

The following Debentures had been purchased out of monies on special deposit, namely:

APPENDIX.

THE ENVELOPE SYSTEM.

As one means of increasing the Contributions and lessening the difficulties of collection, the Board of Home Missions recommends that Weekly Offerings be substituted for Yearly Subscriptions, wherever practicable.

The Weekly Offerings, upon the Envelope System, have been found to work well in many parts of the Diocese where it has been tried.

The first step towards the adoption of this system in a Parish, is to ascertain from all the members of the Congregation, what sum they are willing to contribute at the Weekly Offertory; and this being done—

1. Pledges will be received from the Parishioners for a fixed weekly sum, from one cent to one dollar and upwards, to be given in an envelope, at the Service on each Sunday.

2. A package of envelopes will be given to each contributor, printed with blanks for name and amount of offering.

3. The Treasurer will enter the amount thus received each week, to the credit of each contributor, in a book to be kept exclusively for this purpose.

4. A stated meeting of the Vestry or Parishioners will be held quarterly; at which meeting the Treasurer will report all subscriptions in arrears, and at the close of the Parish year, will also present all the last year's accounts of the Parish, which will then be audited and settled.

By the above plan, the following objects are sought to be accomplished.

1. That not only heads of families, but *all in the Parish*, old and young, who have any means and earnings of their own, may contribute, *according to their ability*, to the support of the Church.

2. That they may, as regularly as possible at the appointed time, *bring their pledged weekly offerings to Church*, instead of paying them at the call of the Collector.

[NOTE—The principal of the Envelope System is not interfered with when, as in exceptional cases, it may be convenient to contribute ONCE A FORTNIGHT, or at any other stated period within the Quarter.]

3. That the Parish revenue may not fall into arrears and Debt be incurred.

4. That the income of the Parish may be *materially increased*, so that, mainly from this source, sufficient provision may be made for the support of the Clergyman.

All these objects may be easily attained if the Church Wardens be willingly and efficiently sustained in their efforts, by those whose representatives they are.

The above plan has been adopted, with some variations, in a number of Parishes in several Dioceses, and has been successful.

It is hoped that it may receive serious consideration in every Mission in this Diocese, and that it may be more generally adopted.
